

I cannot sign the form under penalties of perjury as I do not know this Contribution & Expense Form is required by law as is claimed. I cannot know if the form is true and correct. Even if there was financial information to place on the form it could be hearsay and so I cannot swear to the information under penalties of perjury. I cannot, at this point in time even determine if the form refers to gold and/or silver or Federal Reserve notes as the State of Nevada can ONLY Constitutionally make gold and silver as tender in payment of debt. To swear under penalties of perjury means that if I make an error it

could lead to possible criminal prosecutions. There are also possible ramifications because of the unanswered questions concerning the Heller v Hansen case.

I have therefore, for reasons listed and not listed above, herein protected myself under the protections of the Fifth Amendment to the United States of America's Constitution and Article I Section 8 of the Nevada Constitution. This is done in good faith relying on the following United States Supreme Court case and others not herein listed.

*Lefkowitz v. Turley, 94 S. Ct. 316, 414 U.S. 70 (1973).*

*"The Fifth Amendment provides that no person shall be compelled in any criminal case to be a witness against himself. The Amendment not only protects the individual against being involuntarily called as a witness against himself in a criminal prosecution but also privileges him not to answer official questions put to him in any other proceeding civil or criminal formal or informal, where the answers might incriminate him in future criminal proceedings."*

If I am in error and am required by law to fill out the enclosed form and in doing so violate my rights against possible incrimination please inform me immediately and with legal authority quoted for my benefit.

I do hereby, on this the 27<sup>th</sup> day of August in the year of our Lord God, Jesus Christ 2002, swear in the Name of God, Jesus Christ, and in doing so call Jesus Christ as a witness, that the foregoing is true and correct to the best of my knowledge and legal understanding.
